RESPONSIVE READING

Leader: God of grace and justice. We pray today for all those in the world under war, famine, oppression. Let us always remember that.

Everyone::Our faith cares about human development, about the political aspects of life. We choose to be people of faith that is for what Jesus says in the Beatitudes

Leader: Some want to keep a faith so disembodied that it doesn’t get involved at all in the world it must save.

Everyone: People of faith, entrusted with the earth’s glory, believes that in each person is the Creator’s imaged that everyone who tramples it offends God

Leader: When people of faith hear the cry of the oppressed it cannot but denounce the social structures that give rise to and perpetuate the the misery from which the cry arises. We pray as your people who have been called in faith to follow God’s love the force that will overcome the world

Everyone: Let us not tire of preaching love; it is the force that will overcome the world. God is not satisfied with appearance, God wants the garment of justice, God wants His people of faith dressed in love.

Leader: Let us not forget; we are pilgrim people, subject to misunderstanding, to persecution, but people that walk serene, because it bears the force of love.

We invite everyone to join us after the service in the hall for coffee and fellowship
