

WEEK OF SEPTEMBER 6, 2026

From Woody: This weekend was special for Barbi and I. Saturday night, we had dinner at the place we met, Geneva Point Center, with our friends who also met there, Chuck and Gina. They are really great people and it has been fun seeing them during the time they have been up there volunteering. Then yesterday my old classmate from Garden City, Gilbert Chu and his wife Sharon, came to church and then we had lunch together. It is amazing how friendships can endure and memories remain while I can't remember where I put something five minutes ago and spend 15 minutes looking for it. I want to thank everyone who welcomed Gilbert and Sharon yesterday and made them feel at home. I hope you enjoyed meeting them.

We now head into Fall with Sunday School ready to begin this coming Sunday. It will be great to now have Craig Anderson teaching a class once a month to our Middle and High School age students. So, thank you all for creating a welcoming atmosphere at our worship services and we move ahead to work to represent the teachings of Jesus in our community in this time.
